

MORNINGSTAR PARENT VOLUNTEER POLICY

Morningstar is built through the support of our families. Parent involvement helps create meaningful experiences for students and supports performances, fundraising, transportation, travel preparation, and group operations.

Each family agrees to contribute approximately 10 volunteer hours annually or participate in an approved volunteer assignment. Volunteer areas will be selected at the parent meeting.

Families who choose not to volunteer may elect to pay an annual volunteer opt-out fee of \$350.

Volunteer opportunities may vary slightly year to year.
